NO 37

GRAND BALLS TO BE GIVEN ON APRIL TENTH

Glen Ellen Woman's Improvement Club and Drum Corps To Dance Easter Week.

The energetic women who comprise the membership of the Glen Ellen Improvement Club are very strongly to the fore in a concerted and determined effort to have the young people of their thriving city shall have the benefit of the full-length term of school. With that commendable object in view, the resourceful ladies are planning ways and means to raise money to make possible the continuance of school, despite the depleted condition of the apportionment fund.

An announced school benefit is a grand ball, dated for Saturday night, April 10th—the week following Easter. The event takes place at Chauvet Hall, and the usual admission price of fifty cents is to be charged, with supper extra. The floor will be under the capable management of Messrs. Harry Weise, Tony Cerebigno and Chas. Lane.

It is regrettable, as a matter of fact, that this ball has been arranged for the same night as that on which is to be given the annual Drum Corps'. Sonoma is on all occasions well represented at Glen Ellen public functions, and dance lovers are sorry that loyalty to home enterprise and effort will prevent many of us from being present and contributing to the success of this laudable effort.

Pleasantly anticipated, by-the-way, is the Third Annual Grand Ball, now in course of arrangement by the Sonoma Drum Corps, following as it does the six weeks of Lent.

Social quietude has prevailed, of course, during the penitential season, with the exception of the much-enjoyed St. Patrick's Ball, hence it naturally follows that the devotees of Terpsichore are looking forward to the occurrence of the function.

The committee of arrangements comprise Alfred Warriner, Harry Quartaroli, Louis Picetti and Leonard Thomas, and these ambitious Sons of the Golden West promise this dance to eclipse former efforts. The music, too, will be especially excellent. Director F. T. Hansen and Harry Quartaroli have this feature in charge, and when the "mazy whirl" is indulged in at Union Hall on the night of Saturday, April 10th, it will be to the inspiring strains of a six-piece orchestra (including a slide-trombone).

POPULAR SONOMA COUPLE UNITED IN PRETTY WEDDING

Miss Florence DeSart Becomes the Bride of Leland Stanford Brubeck Last Sunday.

Spring's brightest, most fragrant blossoms adorned the suburban home of Mr. and Mrs. W. F. DeSart for the nuptials of their daughter, Miss Florence Jane, and Leland Stanford Brubeck, which were solemnized at high noon Sunday. The impressive marriage service was read by Rev. Edwin F. Brown, pastor of the Methodist Episcopal Church, in the presence of the relatives of the bridal pair. A sumptuous wedding breakfast followed the ceremony, and on the Southern Pacific south-bound train Mr. and Mrs. Brubeck departed on a honeymoon trip, which will include several days of sight-seeing at the Panama-Pacific Exposition and sojourns at other points.

On their return, the newly-wedded twain will reside on the Brubeck farm home, of which the groom is part owner. The bride is one of Sonoma Valley's charming and popular daughters, of a winsome personality which has made of her a favorite in social circles. The groom, too, stands high in the estimation of all who know him, meriting by his worth the measure of regard accorded him.

Our cordial best wishes for their prosperity is extended the bridal pair. May their union be a record of decades of years of happiness.

PICETTI TERRACE TO BE OPENED

At a special meeting of the Board of City Trustees, held last week, the map made of the Picetti Terrace by Surveyor Thos. B. Lewis was presented for consideration, and without delay was accepted by that honorable body. The map be submitted to the County Supervisors at their April session, after which the thirty-four lots embraced in the tract will be placed on the market. From John F. Picetti we learn that it is his intention to commence grading and opening up the new streets next week. Within the fortnight Mr. Picetti will have a view of the Terrace for publication, which will give the public more comprehensive knowledge of the splendid improvement which is to grace Napa street, and bids fair to be one of the most attractive and desirable home sites in town.

Happenings Gathered in the Sonoma Valley of Business, Fraternal and General Character.

Wm. Block, of Vineburg, was a visitor in El Verano, Monday.

Mrs. Robt. A. Poppe pleasantly spent the week-end visiting in the bay cities.

Miss Eleanor Carriger spent this week with relatives and friends in San Francisco. Miss Carriger is expected to return tonight.

Miss Emily Kearney, after spending a few days in the metropolis, returned to her home in El Verano, Monday morning.

Mrs. J. P. Stearns returned to her home in this city, Monday evening, after enjoying a time in San Francisco visiting the Exposition.

Mrs. H. A. Greeley, of La Jolla, mother to Mrs. L. S. Simmons, came up to Sonoma, Tuesday evening, for a visit at the Simmons home.

W. J. Minkle and R. E. Mullen were passengers on the south-bound North Western Pacific Railway, Sunday morning from Verano, enroute to the Exposition City.

The building formerly used by Deputy Sheriff J. H. Murray as a blacksmith shop was purchased by Fred T. Hansen and moved onto his place last week. The structure is to be utilized as a brooder house.

Mr. and Mrs. H. John Sholden (nee Miss Bernice Small) have been spending the week at the home of Mrs. Sholden's parents, Mr. and Mrs. Jos. B. Small. Friends of this popular Sonoma girl enjoyed the brief renewal of association.

A correspondent of the Press Democrat notes that "Honry Kirsch has been fitting up the Jack London possessions with several of his lever gates. When Kirsch hasn't anything else to do he builds some gates, and when London gets hold of a little money, he buys them."

Mrs. John Trusty, of Glen Ellen, was a visitor in this city Wednesday. Another well-known Glen Ellen resident to visit Sonoma the same day was Mrs. M. A. Thierkoff. Mrs. Thierkoff has been a resident of Glen Ellen for more than half a century, and despite her advanced years is energetic and active in the management of her home and business affairs.

At the monthly meeting of the Board of Library Trustees, held last week, a vote of thanks was unanimously passed in appreciation of the completion of the cement walk and the placing of a street light in front of the Library. Patrons of Sonoma's public reading room will experience gratification in the announcement that the works of Bret Hart—twenty-five volumes—have been placed in the Library. Admirers of the noted California author's delightfully interesting tales of early days in the Golden State will appreciate this acquisition.

Students of the Sonoma Valley Union School regret exceedingly that Miss Emma Johnson, who has proved most efficient in her capacity of commercial teacher, has resigned her position, having accepted a place as instructor of stenography and type-writing at the Model School which is being conducted at the Panama-Pacific International Exposition. Miss Johnson will be greatly missed by the Girls' Basket-Ball Team, as she is enthusiastic in her favoring of athletic sports, and has been a valued "coach" for the school's fair "ball tossers." The securing of this fine position is certainly a splendid tribute to the exceptional ability of Miss Johnson and also to the wise judgment displayed by the Board of High School Trustees in the selection of teachers.

Mrs. G. M. Rainey and son, of San Francisco, are visiting C. F. Carmer in El Verano. The lady is the daughter of Mr. Carmer.

Anna Acquistapace filed suit on Tuesday, against John Lounibos to quiet title to property in Agua Caliente. Attorney W. R. Cowan of Santa Rosa represents the plaintiff.

Mrs. M. French and daughter, Miss Zelia, were here from San Francisco, Sunday, visitors at the home of the former lady's brother and sister-in-law, Mr. and Mrs. Paul Robin.

The Sonoma friends of Mr. and Mrs. Ralph Bundschu (nee Miss Jean Geary of Santa Rosa) will be interested to know they have returned from their bridal trip and at home in their pretty bungalow in the University City. Sonoma Valley relatives and friends anticipate a visit from the "newly-weds" in the near future.

Mrs. Carrie B. Burlingame returned last week from a ten days' sojourn at the homes of Mrs. H. H. Eaton in San Francisco, and Wm. H. Appleton in Berkeley. Mrs. Burlingame visited the Exposition "from end to end," enjoying to the fullest her sight-seeing trip. So infectious is her enthusiasm over the wonders and beauty of the exhibits that those of her circle who have not yet visited the big show are doubly anxious to do so.

Miss Muriel Peters, a charming and talented San Francisco young lady, was the guest of Mrs. Grace Granice the week-end. Saturday evening the hostess entertained for her guest at a quiet but delightful little dinner, which was enjoyed by the Misses Peters and Nancy Bates and Messrs. Maxwell McMillan and Walter Bonner. The congenial company of young people pleasantly spent the after-dinner hours, affording the guest of honor a happy memory of her first visit to historic Sonoma.

Mr. and Mrs. Arthur M. Fisk (nee Miss Marjorie Buchan) came up from San Francisco, Sunday, for a few days' visit at the home of Mrs. Katharine Buchan. A cordial welcome ever awaits the popular couple from a host of Sonoma friends, all of whom are glad to know that this former favorite Sonoma girl and her capable young husband are nicely located and prospering in their metropolitan home. On their return, Thursday, Mrs. Buchan accompanied her son-in-law and daughter for the visit of a few days.

The damage suit brought against the Northwestern Pacific Railroad Company for the recovery of the sum of \$150,000 demanded as compensation for the death of Charles Filipini in the Petaluma yards about a year ago, was compromised in Judge Denny's court Tuesday. Both sides refused to make public the amount of settlement, which rumor states is considerably over \$25,000. It will be remembered by Index-Tribune readers that Filipini was run down by a crew while switching before the arrival of the evening train.

Our esteemed residents, Mr. and Mrs. G. H. Hotz, are receiving congratulations on their having had for the second time conferred on them the proud honor of grandparents to a splendid, twelve-pound native son. Master Hotz made his welcome advent into the home of his parents, Mr. and Mrs. Lloyd Hotz, at Mendocino City, Sunday last. The many friends of the young couple heartily rejoice with them on the arrival of their first-born, and learn with pleasure that mother and babe are doing nicely. Lloyd's friends, too, are glad to hear of his success in a business way, and his excellent prospects of being permanently established in the coast city.

Mrs. John Burke, of San Francisco, visited with Sonoma friends Sunday.

Mesdames L. Quartaroli, A. Adler and Julius Fochetti, J. J. motored to Santa Rosa, Monday. Harry Quartaroli's capable hand was at the wheel.

Past President George McGill and Charles Grosskopf have been chosen delegates by Sonoma Parlor of Native Sons to the Grand Parlor, which convenes in San Francisco this year, commencing April 19th.

We are pleased to chronicle the convalescence of Miss Anita Breitenbach, who had been very ill with pneumonia. The young lady has been greatly missed from her post of duty as bookkeeper in the Duh-ring establishment, and by her circle of friends generally.

Mrs. Sarah E. Munck, of San Francisco, enjoyed a brief visit with her daughter, Mrs. Grace Granice, in Sonoma this week. On her motor trip up from the Bay City, Mrs. Munck was accompanied by Mesdames W. C. Blair and Tillie Michaelson of the metropolis.

Deputy Sheriff and Mrs. J. H. Murray and their interesting family are now located in town, having rented the house of Mrs. Susie Revie, on Napa Street opposite the Presentation Convent, taking possession of their new home Monday. Sonoma's valiant "new" deputy sheriff is now conveniently located to respond to duty's calls.

A. L. Wells, who was a Sunday visitor at the Exposition, returned enthusiastic from his sight-seeing trip, and profuse in his commendation of the wonderful displays, more especially of the Canadian exhibit. "I have never seen anything like or to equal it," declared Mr. Wells. "It certainly is a marvelous, artistic triumph, and is in itself well worth the price of admission to the greatest of world's fairs."

Mr. and Mrs. Henry Brown (nee Miss Mamie Engelund) are now "at home" to their friends—and their number is legion—in their cozy-furnished apartments in the Dal Poggetto Building on Napa Street (formerly the Leix Sanitarium). Mr. Brown, who holds a responsible position with the California Telephone and Lighting Company, will be located in this city throughout the spring and summer.

Messrs. A. W. Adler, Julius Fochetti, Jr., G. Guidi M. Mangante and Harry Quartaroli motored to Napa, Sunday, in the fine Adler touring car. The trip was made principally for the purpose of inspecting gasoline launches, which evinces the fact that there's to be "something doing" in the way of pleasure besides motoring in the Adler-Quartaroli families. "Riding on the water is a most satisfactory diversion for the entertaining of one's friends, too," suggestively remarked popular Harry.

From Postmaster John D. Wagon we learn that suburban residents in the Schallville Colonies, on the Baxterville and Hyde Tracts and in other districts, who heretofore have had to make daily trips to the postoffice are soon to enjoy the advantages afforded by rural delivery. Postal Inspector Frank J. Hare spent last week in Sonoma Valley inspecting and drawing new maps which embrace changes for the improvement of the rural delivery service in the sections mentioned, and these have been submitted to the Department at Washington, to be returned, so Postmaster Wagon believes, within three weeks. The extension of the rural routes takes in about sixty additional homes.

GEORGE LOWELL MEETS WITH VERY PAINFUL INJURY

Prominent Sonoma Valley Orchardist Thrown from Motorcycle and Badly Hurt.

Tuesday evening, at about six o'clock, while returning home on his motorcycle, George Lowell, one of Sonoma Valley's best known orchardists and respected citizens, met with a miraculous escape from serious injury. As it was, Mr. Lowell suffered a bad fracture of the right leg, two bones being broken below the knee.

The accident occurred near the Wade home, on Patton Street, and resulted from Mr. Lowell's endeavor to bring the motorcycle to a sudden stop in order to avoid running over a dog which ran barking at the machine. The gentleman was thrown off into the ditch, suffering the painful injury described.

Postmaster J. D. Wagon, who was passing, and J. D. McQuiddy went to the assistance of the injured man, and Dr. A. M. Thomson was summoned to attend him. Mr. Lowell is resting comfortably at his home, we are pleased to note, and is showered with sympathetic messages from his many friends.

FIRE DESTROYS MANY CHICKS

Five hundred baby chicks, two weeks old, perished in the conflagration which consumed the barn and incubator house on the J. P. Engelund place, about a half mile south of town, shortly after twelve o'clock Wednesday night.

The fire was undoubtedly caused by a coal oil lamp in the brooder house, which was distant only about fourteen feet from the barn, and the building was almost entirely destroyed before Mr. Engelund and his family were aware of the threatened destruction of their home.

The local fire department speedily arrived on the scene, but the flames had gained too much headway for the saving of barn and brooder.

Mr. Engelund carried a small insurance on the barn, but suffered a loss of over \$250.

Robert LaTorres was up from the Bay City, Sunday, for a visit with his parents, Mr. and Mrs. Chas. LaTorres.

SONOMA WINS FIRST GAME OF THE SEASON

Splendid Ball Played on the Big Diamond at Boyes' Springs Last Sunday.

Last Sunday the Sonoma Ball team motored to Boyes' Springs Park to participate in the first game of the season.

Our boys defeated the Boyes' Springs Club by the close score of 3 to 2.

Sonoma started the game with a vengeance, scoring three runs in the first inning, which proved enough to win the game.

Boccoli pitched air-tight ball for the first five innings, fanning eight of the opponents' batters.

Helberg took the mound for Sonoma at the beginning of the sixth inning. During the four innings pitched by Helberg, six men were struck out.

The Boyes' Springs Club scored their two runs in the ninth inning.

Gilligan pitched excellent ball for Boyes after the first inning. The support he received at short by Zeiro, was of class A variety.

Anselmi made the longest hit during the game, pummeling the ball far enough for a two-base hit.

On Easter Sunday, Sonoma's Ball Team will play the first regular game on their own diamond. Now is our chance to support the excellent ball club that Jas. Modini and Ralph Evans have assembled to do battle for Sonoma on the baseball field. That is to be accomplished only by attending all games and cheer "Our Boys" to victory.

FETTERS' OPENING

Sonoma Valley's beautiful health and pleasure resort—Fetters' Hot Springs—is now in full swing for the season, which the management anticipates will be a busy one.

The formal opening of the popular big resort took place Saturday and Sunday nights last, hundreds assembling to enjoy the splendid entertainment provided. The hospitality extended by Mr. and Mrs. Geo. Fetters was lavish, no effort being spared to make both evenings replete with pleasure.

From now on Fetters' Springs Theatre will be open every night. Dancing will also be a regular nightly feature, for which the best of music will be furnished.

Elect to Office Men of Competency

THE ELECTION of High School Trustees will occur Friday, April second. In this connection we should consider the excellent work done by the present Board in behalf of the children of the Union district. They have shown a hearty devotion to their duties as promoters and guardians of public education and a progressive spirit in their attitude toward the new development along educational lines.

This year the High School enrollment is the largest in its history, numbering seventy-three pupils. This is due in part to the installment of the Domestic Science department, in which about ninety per cent of the girls in the school receive instruction, among them being nine or ten who would not have attended school this year, had it not been for this opportunity to learn practical cooking and sewing.

The prospective housekeepers will soon be ready to wage wars on the "High Cost of Living," as their instruction includes a careful computation of cost of supplies used and of the operating expenses of the department, which for the entire month just past amounted to less than ten cents for each girl in the cooking class.

The sewing department, once installed, has no current expense, as the girls furnish their own materials and make garments for their own use. Already some of the more advanced pupils of the sewing classes are wearing to school dresses of their own making. In consideration of the large patronage which this department has received from the girls of the community, and the excellent results accomplished, we wish to give credit to the Trustees for sponsoring so valuable a movement.

This Board has also indorsed the work of the Boys' Agricultural Club, which is conducted under the supervision of the University of California and the United States Department of Agriculture.

Improved instruction in science has been made possible by the addition of a good compound microscope, of which the school has been in need for some years. Other equipment added has increased the efficiency of other courses.

The fact that the sewer pipe laid two years ago was found to be filled with roots, necessitated its replacement with cast iron pipe which will be impervious to roots, and will guard against further expense.

The removal of the fence which was rapidly falling to pieces has added materially to the beauty of the grounds, and is but another indication of the efficient supervision of the present Board.

Messrs. A. H. Rubke and S. P. Woodworth and Dr. W. B. Hays are the retiring members of the Board of High School Trustees. The consent of these gentlemen should be secured to their names appearing upon the ballots at next week's election and the voters of the district should re-elect them to continue their competent service.

COURT PROCEEDINGS

Preliminary hearings of three cases were heard in Justice Jos. L. Small's court Thursday.

The first on the calendar was People vs. Robt. Zumfeld, charged with assault with intent to rob. August Weber, the complainant's evidence was sufficiently strong, in the judgment of Judge Small, to warrant Zumfeld being held to appear before the Superior Court.

Chas. A. Swensen, who was on trial for stealing a revolver from Edward Benson, who holds a position at Agua Caliente Springs, next appeared.

The examination of Benson proved against the defendant, Swensen. The pistol taken from Swensen, at the time of his arrest, was identified by Benson.

Assistant District Attorney G. W. Hoyle, who was conducting the case, asked the defendant if he cared to be sworn for examination. He refused to be sworn and repeatedly insisted he was under the influence of liquor and did not remember whether he had stolen the gun or not. Judge Small decided that the case go to the Superior Court.

Hugh Calhoun, who lives on Lower Broadway, arrested a few days ago on complaint of J. Bolecki, for making a threat of assault against him, was next tried. Calhoun denied the charge, and C. A. Bonney appeared as a witness in his behalf. His testimony was in favor of the defendant, and Judge Small dismissed the case.

Two Fords Sold

Busby & Coates are certainly hustlers and successful salesmen. The enterprising firm reports the sale of two more Ford automobiles, one to J. M. McIntyre of Eldridge and the other to David Sinclair of Glen Ellen.

Baby Lives Called Back.

Sunday last, Mildred, the seven-week-old daughter (a twin) of Mr. and Mrs. Geo. Block, of El Verano, died of pneumonia, the baby remains being laid away in Mountain Cemetery, Tuesday. The parents have the sympathy of many friends in their bereavement.

The condolence of their host of friends is extended Mr. and Mrs. Howard Gage of Glen Ellen on the death of their infant son on Wednesday, two days after his birth.

Burglary Committed.

Sunday morning, at about five o'clock, the Lombardo Hotel was burglarized, the intruder securing a gold watch and chain. While it is surmised that the identity of the thief is known, yet evidence is not sufficiently strong to warrant an arrest. Unfortunately, too, Officer Murray was not informed of the perpetration of the crime until five hours after its occurrence.

Card of Thanks

We herewith desire to express our sincere appreciation and thanks to our neighbors and friends for their kindness, expressions of sympathy and for the beautiful floral offering extended to us during our late bereavement in the loss of my dear wife and our mother.

Conrad Kiser and Children.

Children Cry FOR FLETCHER'S CASTORIA

Sonoma Wins Debate-- Woman's Club Notes

HIGH SCHOOL NOTES

Once more the Sonoma High School debating team returned victorious. Last Friday evening in a heated contest they defeated the team representing the Santa Rosa High School. The subject in question was "Resolved That the Monroe Doctrine Should be Abandoned." Sonoma upheld the affirmative side and her arguments were ably delivered by Henry Waltz, Gladys Simmons, and Emory Ranker.

This victory puts Sonoma in the finals of the Debating League and on April 30th the team will contest with the Napa High School for the supremacy of the league and also for the possession of the cup which has been offered.

From the Santa Rosa Press Democrat the following is taken:

"Henry Waltz was the first speaker of the evening and opened for Sonoma with a speech that was in the nature of an introduction to the following speeches of his colleagues.

"Miss Gladys Simmons, who continued the argument for Sonoma, was received with applause by the large delegation from the Valley of the Moon and executed her mission in a manner that was convincing and strengthening to the speech of her colleague and also to the argument of him who was to close for the affirmative.

"Emory Ranker, veteran of the Sonoma team, was backed by many years of experience in debating, closed for the visitors from Sonoma. His quick, sure manner of speech showed that he was convinced whereof he spoke and was well primed for contest. His logic was sound and his speech consistent and concise."

The crowing incident of the was told in the articles as follows: "Then came Leo Sullivan, warhorse of the Santa Rosa team, and scarred with the onslaught of many a heated debate in which he has dragged the Santa Rosa team from defeat to victory. His main speech was logical and good, but gave no intimation of the potential rebuttal that was to follow, in which the opponents' most salient points were shattered. Somewhat staggered by Sullivan's rebuttal, Emory Ranker, closing the debate for Sonoma, rallied in the middle of his rebuttal and was able to effect powerful refutation of the arguments of the Santa Rosa team."

The Judges for the debate were E. L. Sherril of the University of California; District Attorney Lea of Santa Rosa, and N. W. Erskine, of Sonoma. After much discussion among the judges the laurels were awarded to Sonoma. Judge Emmet Seawell presided at the meeting.

Napa won the debate with St. Helena High School the same evening at Napa and will meet Sonoma in the finals for the championship of the S. N. S. C. D. L. for the year.

Sonoma High School will in all probabilities be represented in the Exhibition Track and Field meet which will be held in San Francisco in the near future. Several of the boys have already announced their intentions of entering, among them being Henry Waltz.

Last Tuesday Mr. Dooley a photographer from Berkeley arrived and took the pictures for the Golden Bear for 1915. These included the staff, Seniors and Athletic team.

Sonoma Gardens Very Pretty.

With the arrival of spring it is a pleasure to see so many Sonoma residents taking an interest in the beautifying of their yards by the planting of flowers.

In order to secure the best results it is advisable to use only the best seeds, as well as good tools. F. Cleve has a splendid assortment of garden tools, together with a most complete stock of C. C. Morse's flower and vegetable seeds.

CLUB NOTES

(BY THE CLUB REPORTER)

The Club Parlors were well filled last Friday afternoon for the social meeting, when Miss Lillian Clark of Berkeley gave an informal talk concerning the Club taking up the Extension Work now being prosecuted by the State University along lines of particular interest to women.

After some lively discussion, it was decided to arrange to have the following speakers address the Club:

April 16th—Prof. Stirrus on Home Floriculture;

May 21st—Prof. Hearn on Home Sanitation;

June 18th—Prof. Davis on Home Cooking and Dietetics;

Sept. 17th—Prof. Patterson on Home Art;

Oct. 15th—Dr. Morgan on Home Physiology.

In August there will be given a course of practical demonstrations in cooking, to be held in the High School and to last throughout the week. Preserve and jelly-making will be a special feature of the demonstrations.

These meetings will be open to the public, and all women interested in home-making, either present or future, are most cordially invited to attend. Every one is urged to bring questions, written or verbal; and at the first lecture—April 16th—any pet plant suffering from some unknown ailment, may be brought in and its case diagnosed. The chief aim in these lectures will be to make them of practical value.

Club members are much pleased at the growth of the Building Fund. This has now reached almost nine hundred dollars, and it is probable that when one thousand dollars are in hand, work will begin on the new Club House.

The last Card Party added almost \$20 to this fund. It is planned to hold a series of these popular functions at the homes of several of the Club members.

Any lady living in Sonoma Valley and desiring to become a member of this live organization, can easily do so by speaking about it to some one of the members and having her name presented. The dues are two dollars per year, with an initiation fee of fifty cents.

The next business meeting will be held Friday, April 2nd, at 2:30 p. m. sharp.

Mrs. Frank Quartaroli entered into rest at her home in Sebastopol, Sunday last, death following a long illness fraught with intense suffering.

Placida Peller was born in Noma, Italy, in 1883, coming to the United States in early youth, finally locating in the Sonoma Valley. Hereshe was wooed and won by Frank Quartaroli (a brother of L. Quartaroli of the El Dorado Hotel), their marriage taking place in this city on October 29th, 1906. Mr. and Mrs. Quartaroli resided continuously in this valley up to about seven months ago, when they leased a ranch in the Gold Ridge district, where they were living when the final summons reached the beloved wife and mother.

Besides her devoted husband, the deceased leaves an eight-year-old son. Her father, mother, one sister and three brothers are living in Italy, while another sister—Mrs. M. Allamano—is a resident of this city. Mrs. Quartaroli was a woman of gentle, retiring demeanor, a true friend and worthy wife and mother. The weary years of her illness were borne with patient fortitude and though her passing has brought immeasurable sorrow to relatives and friends, yet it was a welcome surcease to the beloved woman.

The remains were brought to Sonoma, the funeral services being conducted by Rev. T. M. Comerford in the St. Francis Catholic Church, and the interment taking place in Mountain Cemetery.

DOINGS OF THE WEEK IN SOCIAL CIRCLES

On Thursday last Mrs. Catherine Poppe reached another milestone in life's pilgrimage—the eighty-sixth and the noteworthy event was fittingly celebrated at the beautiful home on Napa street of the venerable lady's son and daughter-in-law, Attorney and Mrs. Robt. A. Poppe. Throughout the day the worthy pioneer, who is very widely known and beloved in the Sonoma Valley, was showered with congratulations by the host whose friendship she enjoys. During the afternoon a number of relatives and friends of Mrs. Poppe were entertained most pleasantly, the hours being passed for the greater part in the interchange of happy reminiscences. Music and the partaking of delectable refreshments were also enjoyed. Those present were: Mr. and Mrs. R. A. Poppe, Mesdames Chas. Holland of Berkeley, H. J. Sholden of San Francisco, J. B. Small, Maria Goeth, A. H. Bates, Fred Bulotti, M. B. Cooper of Glen Ellen; Misses Eda Gillen and Gladys Small, and Chas. J. Poppe of Glen Ellen. Mrs. Poppe, despite the many decades embraced in her span of life, is yet an active spirit in business circles, in the enjoyment of excellent health and her exceptional mental faculties. The Index-Tribune unites with other friends in expressing the hope that Mrs. Poppe will enjoy many years to come.

The young ladies of the Golden Hour Club were privileged to again enjoy the hospitality of their president, Mrs. M. H. Rowell, Saturday afternoon. Mrs. Rowell is a charming and original hostess, and on this occasion entertained in most delightful fashion at a St. Patrick's "party." The fact that Mrs. Rowell had visited the beautiful "Emerald Isle," acquainting herself with quaint, unique customs and fascinating lore added to the interest and provided novel features greatly enjoyed by the bevy of girls assembled. During the afternoon, Miss Nancy Bates contributed a vocal solo, which was given in her usual pleasing style. Mrs. Rowell was assisted by her sister-in-law, Miss Helen Rowell, and also by Miss Zoleta Bates. The latter young lady, by-the-by, was the winner of the prize for success in finding the most "green snakes" hidden away in the gardens. The Golden Hour girls are to be entertained next by Mrs. B. F. Campbell.

An enjoyable event of the week was the "surprise" tendered Miss Ethel Shane at the home of her parents, Mr. and Mrs. Chas. F. Gorsky at the Palace Hotel, on Wednesday night. The recipient of the honor is one of Sonoma's popular school girls and a talented musician. Her teachers and a large number of friends assembled and contributed to making of the affair an event to be pleasantly remembered. Dancing was the principal diversion, interspersed with vocal and instrumental music and the serving of a fine supper. The merry-making continued until the early hours of the morning.

Ayers Villa was the scene of aolly gathering, Thursday night, prior to the departure of Mr. and Mrs. Alex Ayers and the gentleman's mother, Mrs. K. Ayers, for San Francisco, after a few months' sojourn at their picturesque country home. James Green added to the entertainment of the company by his pleasing rendition of popular songs. Dancing and other pastimes added to the pleasure of the guests, who included the following named: Misses Nellie and Clara Peterson, Ethel, Marguerite and Agnes Gericke; Messrs. O. W. Gericke, James Green, Joe Andrieux, Richard, Will and Ed Rahwyler and Master Bertrand Gericke.

COMING! Don Theater

Next Feature: "Nortin Eden,"

by Jack London.

Coming Soon, Yosemite Valley and the High Sierra.

Interesting News Notes From Suburban Towns

VINEBURG

Jack Murray, constable of Sonoma Township, was greeting his numerous Vineburg friends last Wednesday.

Mr. and Mrs. Adolph Rubke have moved into the pretty Robinson cottage near here. Jovial 'Dolph is as happy as usual and says, "Never trouble trouble, till trouble troubles you."

W. R. Hansen and family, formerly of Sonoma, are now residents of Vineburg—Sonoma's loss and Vineburg's gain.

A straight carload of dried fruit, twenty tons, was shipped from Batto's Spur, Wednesday, to San Francisco.

It is reported in social circles that there will be a grand dance at New Vineburg Inn, on the night of April 17th, and all the dancing set—young and old—are anxiously waiting for that date to arrive.

Some one reported that Emilio Batto and Jim Small visited Blue Mountain on Monday last. It is not so. It was a Black Mountain that visited them in a fifty-ton box car all the way from Utah. Blue Mountains cannot travel that far, believe me.

The Kearney Brothers, the well-known contracting teamsters and farmers, are now engaged in plowing the Rhine Farm Vineyard near here. The Kearney boys are experienced.

Mr. and Mrs. A. W. Lehrke arrived here, on Monday, and will remain several days visiting and inspecting their property interests in this part of the valley, and are guests at New Vineburg Inn.

On Monday there were shipped from the warehouse of John Batto & Sons thirty cases of selected eggs each case containing thirty-six dozen—in all one thousand and eighty dozen of eggs. The receipts of that day for a single shipment breaks the record at Vineburg station.

John Gross was the guest of Oakland friends on Sunday last.

Henry Hauer, foreman cooper for the Gundlach-Bundschu Wine Company, was called upon last week to perform some expert cooperage at the DuBoise Cellars near Caneros Creek.

Mrs. August Figone and family, after a pleasant visit of several days at the John Batto residence, returned to their city home, Sunday afternoon.

Mr. and Mrs. Walter Bundschu, of Rhine Farm, were the guests of friends in the Bay City and Sacramento the week-end, returning home Monday.

On Friday, March 19th, Mr. and Mrs. S. Riebli of Petaluma (parents of Mrs. Enrico Forni), Mr. and Mrs. Jos. Keiser and daughter of Napa, Mrs. Heller of San Francisco and Dr. T. A. Nufer, the well-known veterinarian of Petaluma, were the guests of Mr. and Mrs. Enrico Forni, at Starlight Terrace, their pretty Vineburg residence. After partaking of an elaborate lunch and spending a pleasant afternoon, all said "Au revoir but not good-bye." Mr. and Mrs. Jos. F. Groskopf and Master Johnnie Clements, of Sonoma, were the guests of Mr. and Mrs. Arthur Batto last Sunday.

EASY JIM.

Card of Thanks

I wish to express my heartfelt thanks to the many friends and neighbors whose kindness and sympathy was shown during the long illness and at the death of my beloved wife. Thanks are also returned for the beautiful flowers.

SCHELLVILLE

E. H. Johansen, deputy assessor, transacted business in this vicinity Monday.

The "Jolly Twelve," Schellville's lively social club, was entertained at the home of Mrs. Douglas Church, Wednesday, and all had a good time—one long to be remembered.

Mrs. S. S. Stonier was a passenger on Tuesday morning's south-bound train.

Messrs. Jimmie Green and Otto Gericke, of Alta Vista, were among the Schellville visitors on Sunday last.

Rev. Father Comerford called on many friends here last Friday.

Wm. Church and family drove over to Lakeville, Monday, and enjoyed the day visiting friends.

Jack Millerick, who is connected with a moving picture company, is now located in the vicinity of Russian River.

Mr. and Mrs. J. A. Landeborough spent Friday with friends at Glen Ellen.

E. Randolph and family left on Wednesday of last week for a pleasure trip to the bay cities.

Mrs. M. Millerick spent Sunday at the home of her sister, Mrs. J. Kehoe of Sonoma. The many friends of Mrs. Kehoe are glad to learn that she has recovered from her recent indisposition.

Emmet Mullen, a well-known El Verano business young man, passed through here recently and met many old-time friends.

Fred Dobbie and family, of Buena Vista, journeyed to Schellville, Sunday last, and visited with friends.

Alvie Saylor, who had been quite ill, is able to attend school again.

Will Clements, fruit-grower of Eden Dale, left Tuesday for a brief trip to San Francisco. Mr. Clements, by-the-way, has made a substantial and convenient improvement in the erection of a bridge spanning Sonoma Creek connecting the two orchards.

HAPPY JACK.

SAL'S PICK-UPS

[SPECIAL BY LEASED WIRE, THE SHORTEST IN THE WORLD.]

There is a rumor of doing away with the sprinkler. One would surmise that they have a new invention of keeping down the cussed dust.

The summer resorts and hotels are in readiness for the summer trade, and will cater to their guests as in the past in a first-class manner in every respect.

Some of the hot mineral springs of the valley, before being developed for commercial purposes, were Indian mud baths. The Indians from far and near came to be cured and rested by the famous waters. Indian Chief Besente, of the Digger tribe, who died at the age of one hundred and eighteen in El Verano, was a frequenter of these springs. The beautiful climate and scenery and the curative powers of the mineral springs of Sonoma Valley attract many tourists from far and near to seek health and recreation during the vacation season.

Dan Singleton of San Francisco was in town again, one day last week. This time Dan was in a jitney 'bus, sight-seeing around the valley.

Leo Vincent of the United States Navy, Mare Island, Cal., visited his folks in El Verano, Sunday.

Deputy District Attorney Jack Ford was in town Saturday evening, enroute to Santa Rosa.

SAL SALARATUS.

Card of Thanks

I wish to return thanks to the Sonoma Fire Department and the citizens generally for the prompt and efficient service rendered at the fire on my place Wednesday night. I fully appreciate their splendid work.

J. P. ENGELUND.
